Subject : Internship completion by students

Dear Madam,

We are glad to inform you that 6 of your students namely Mrs. Prerna Joshi, Ms. Kavita Bisht, Ms. Vipasha Adhikari, Ms. Shiwani Bisht, Mr. Bhupendra Singh Bisht, Mr. Ravi Budhlakoti have joined for their internship from 06.12.2022 to 20.01.2023 at SOS Children's Village Shillong. During this period they have taken classes for the primary and upper primary students. Also students of class XI were supported by them in learning their lessons in the evening time.

During this period we could see that the progress of children assesses in the initial days and at the end of the internship period has improved between 85 - 95 %. As per our discussion with the interns, the primary school children lack in fundamentals of learning as per their class. This is a common omission seen among all children of all schools living with SOS Children's Village Shillong. Once the fundamentals are made clear to students in higher classes, their performance in managing tasks got improved.

It was a good opportunity for the inmates of the SOS Children's Village Shillong to get to learn the required basics and teaching in appropriate methodology which will help them throughout their life.

I take this pleasure to thank you, Education Department and the interns for this support to the SOS Children's Village Shillong. We expect similar support this year also.

With regards

Introduction with SOS Children's Village Alibaug Village Director Mr. Himanshu Debnath.

All Staff Members of SOS Children's Village Alibaug and Our Coordinator Mr. Prahlad Potdar and Mrs. Swati.

SOS CHILDREN'S VILLAGE ALIBAUG

INTRODUCTION

Alibaug or Alibag is present in the Raigad District of Maharashtra. It is 30 km south of Mumbai and is easily reachable by road. The place mostly lives off its tourist related activities which includes various fishing and agriculture related activities; these activities have been a major source of livelihood for many in the area.

Alibaug has seen rapid migration of people from all across India; this shift is in their quest for a better standard of living. Since the increase in population is drastic, the area also suffers from widespread poverty and underemployment. The most affected groups of such situations are women and children, who find it

hard to adapt to the changing environment. Due to this, children are forced to drop out of schools and women are left with no choice but to engage more in daily wage activities in order to support their families.

The SOS Children's Village in Alibaug, near Mumbai, started its activities in the year 2010. There are 14 Family Homes at our facility where children are placed under the care of SOS Mothers, two SOS Aunts and two SOS Mother Trainees.

Once a child is welcomed in the SOS Family, all necessary efforts are made to cater to his/her emotional and physical needs. Children are placed under the loving care of an SOS Mother and are also helped to get acquainted with other children in the family home; children who stay together in a family home are regarded as brothers and sisters.

SOS Children'S Village Alibaug

Children in our villages are always and constantly motivated to perform better in life. Academics and co-curricular activities are regarded to be equally important for overall growth and development of a child. The provision of tuitions for children is made in all our villages, where children are rendered help and support with their studies. In addition, special coaching and training is also given to those who reflect potential in the fields of art, sports, music, dance etc. At an SOS Village, all festivals of national and international importance are celebrated with great joy and enthusiasm. Children along with their mothers, brothers and sisters, aunts and all co-workers of the village engage in celebrations that continue for the whole day; this serves as a good bonding time between the children and their family members.

SOS Youth

At present, the total number of youth under our facility in Alibaug is 36. While some of our youth are still studying in school, others are enrolled in college. Academic results of all our children have been consistently good and have only improved over the years. In the board examination results for class X and XII, a pass percentage of 100% has been witnessed.

Various awareness programmes and sessions are held for our children in order to keep them updated about the on-going issues in our society.

While many of our youth are enrolled in well-paying jobs, others are well settled and happily married.

Family Strengthening Programme (FSP)

The Family Strengthening Programme was initiated in Alibaug in order to help vulnerable families become self-reliant. At present, the FSP in Alibaug renders support to 644 beneficiaries under its care.

SOS India not only provides financial aid to families but also works towards their capacity building by working towards their skill development.

Another way by which such families are supported is via Self Help Groups. It is a concept where people from the same socio-economic background come together to solve common problem through mutual help.

Various training sessions and seminars are held for the beneficiaries under the FSP in order to help them realize their highest potential. The aim of an FSP is to pull out families out of the circle of poverty. Once a family becomes self-independent, it exits the programme and is replaced by a new family in need of support.

- First day we had our Introduction with all the students of the SOS village.
- From the perspective of children meeting a new teacher, there's often a mix of curiosity, apprehension, and excitement which could clearly be seen in their eyes.
- They were keen to learn from the next day about their subjects as well as our cultures.
- We were given time tables to help the students of different classes at different times.
- There were separate sessions for students of different classes .
- Morning sessions included students of classes 6,7 and 8.
- Afternoon sessions included primary school children.
- Evening sessions contained students of classes 10 and 11.
- As all the 3 teachers were from science background, so the main focus of the sessions was to help them get a good hold on concepts of Science and Maths.
- Intern Shikha Bhatt (M.Sc Zoology) helped the students in Biology and Chemistry.
- Intern Kiran Rawat (M.Sc Maths) helped the students in Chemistry and Maths.
- Intern Gunjan Khatri (M.Sc. Physics) helped the students in Physics and Maths.
- As for primary school children the focus on language and communication (English), and Basic Mathematics.
- By addressing misconceptions and providing factual information, pupil teachers empowered the students to make informed decisions about their sexual health and well-being, fostering a culture of respect, understanding, and responsibility.
- Christmas day was celebrated with great joy and enthusiasm. All the children, mothers and staff gathered around, danced and had dinner together.
- One fine day CHHATRAPATI SHIVAJI MAHARAJ VASTU SANGRAHALAYA (MUSEUM ON WHEELS) was on the campus of SOS Alibaug, The exhibition themes are selected keeping in mind school curricula and draws from the CSMVS' vast collection of antiquities. These mobile exhibitions are taken to various educational and cultural institutions for deeper and wider engagement with heritage, arts and sciences. The Buses are fully equipped with display cases for objects, replicas, models and dioramas. Audio-visual equipment and digital media including touch screens and tablets further engage this generation of tech-savvy children. At the same time, interactive demo-kits, art and craft activities get children working with their hands, thus offering them a holistic learning experience.

The town of Bawana is located in the north-west area of New Delhi. SOS Children's Village Bawana was built in the year 1974 and is located on the outskirts of the town. A large number of people have been seen migrating to Bawana because of its closeness that it shares with the capital city.

Bawana is the second location where the SOS Children's Village started to work in. It was built in 1974 with the aim of providing abandoned or parentless children a loving family like environment to grow up in. At present, the village consists of 171 children living in 16 Family Homes.

SOS India functions around building a loving and an everlasting bond between the child and his SOS family. Festivals of both National and International importance are celebrated with great enthusiasm

in the SOS Villages. Children along with their mothers, brother and sisters and other village co-workers participate in various activities that help them develop trust and strengthen relationships.

DISTANCE

1. The SOS Children's Village in Bawana is 14.3 kms away from the Holambi Kalan Railway Station.
2. It is at a distance of 39.1 kms from the Indira Gandhi International Airport.

SOS YOUTH

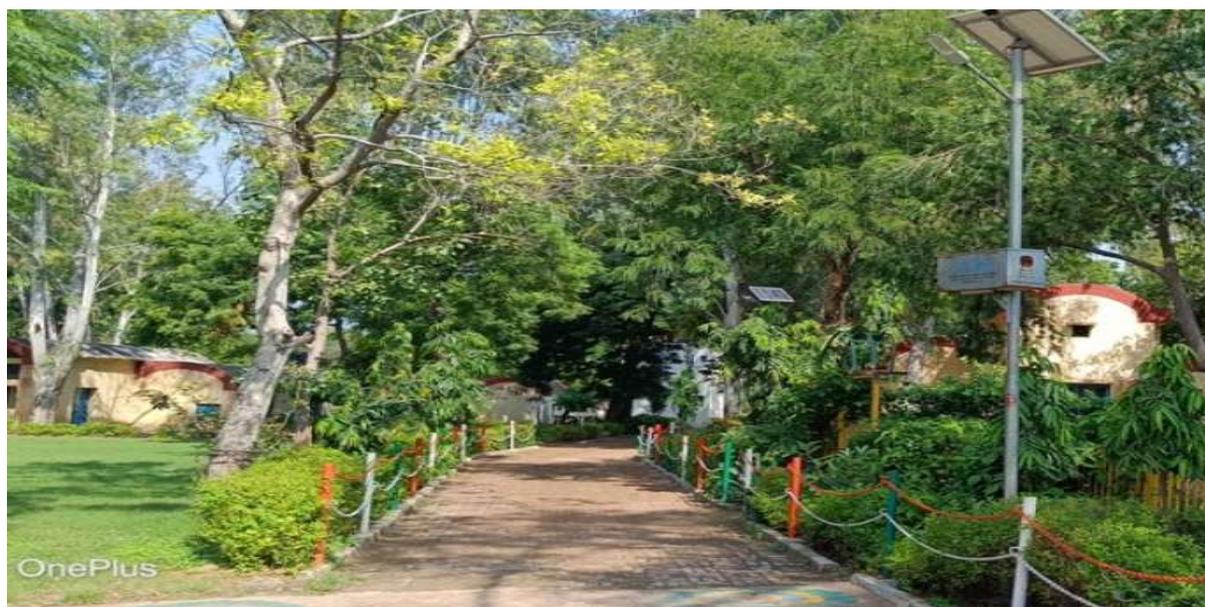

At present, the total number of youth under our care adds up to 108. Children at SOS Villages are enrolled in formal schools and are exposed to all kinds of co-curricular activities. Vocational training is also provided to children in some of our villages. In order to help children perform their best, arrangements for tuition classes, computer classes and English speaking classes are made in the SOS Village.

Youth are motivated to take part in all kinds of intra and inter school competitions that their school organizes. Children are given all the help they require to realize their highest potential in order to make them responsible citizens of the country. Various career counseling sessions are organized for children to help them make the right decision in choosing the field they aspire to build their careers in.

FAMILY STRENGTHENING PROGRAMME (FSP)

The Family Strengthening Programme in our NGO in Bawana, Delhi was initiated in 2003. The purpose of introducing this scheme in the town was to empower and support families who could not sustain solely on their own. Besides financial backing, SOS also works towards the capacity building of these individuals, for which, a number of training sessions are organized by SOS India for all families under the FSP

At present, the total number of beneficiaries under our FSP in Bawana add up to 351. Once a family self-reliant, it automatically gets phased out from the FSP and is replaced by another family.

About SOS J.N. KAUL INSTITUTE OF EDUCATION BHIMTAL

SOS Children's Village of India is an independent, non-governmental, social development organization that provides family based care for children. The first SOS Children's Village of India was founded by Hermann Gmeiner in 1949 in Imst, Austria. He was committed to helping children in need, children who had lost their homes, their society and their families as a result of the Second World War. More than 7000 children and young people attend SOS Hermann Gmeiner Schools, SOS Kindergartens and SOS Vocational Training Centers. Moreover SOS Children's Villages provides families with material, psychological and social support. In times of crisis and disaster, SOS Children's Villages helps through emergency relief programmes. SOS Children's Village Bhimtal was built on the former property of a Maharaja, around 300 km north of New Delhi, in the foothills of the Himalayan Mountains.

Vision & Mission

Vision of the institute is to bring forth dedicated teachers who can inculcate values and norms of a civil society in our younger generation, apart from imparting knowledge and skills as updated in the new millennium. Mission of the institute is to build and nurture a new generation of well-rounded professionals who can work as positive change agents in the new millennium by helping the new education system to attain and sustain global leadership. It will be our endeavor to assimilate and disseminate practical knowledge to future professionals and to encourage their understanding of strategic perception to fulfill the mission of the organization in the fast changing global learning environment and to make significant contribution by providing an opportunity to the deserving candidates of society to have world class professional education and to inculcate among them the feeling of fraternity and patriotism.

Course- B.Ed 3rd Semester

Session- 2022-2024

Introduction-

Social impact program can be defined as the net effect of an activity on a community and the well-being of individuals and families.” – Centre for Social Impact (CSI) “A significant, positive change that addresses a pressing social challenge.

Social impact program refer to initiatives and activities undertaken by organizations, governments or individuals to address social issues and create positive change within communities.

These programs aim to improve the well-being of society by addressing issues such as poverty, inequality, environmental sustainability, healthcare access, education, and more. Social impact programs take various forms, including charitable giving, volunteerism, advocacy campaigns, community development projects, and social entrepreneurship ventures. The ultimate goal is to make a meaningful and lasting difference in people's lives and promote a more equitable and sustainable world.

Social Impact Program HGS Faridabad -

Hermann Gmeiner School in Faridabad is part of the SOS Children's Villages, an international non-governmental organization that provides education and care for children in need. The school follows a holistic approach to education, focusing not only on academics but also on the overall development of the child. It aims to provide a nurturing environment where children can thrive and reach their full potential. We did internship in this school for a month and it has been a wholesome experience for us. The Hermann Gmeiner School in Faridabad, Haryana, provides a unique educational experience focused on holistic development. It caters to the educational needs of children from diverse backgrounds, aiming to empower them with knowledge, skills, and values necessary for success in life. The school's approach emphasizes not only academic excellence but also character building, fostering creativity, and promoting social responsibility. Through its curriculum and extracurricular activities, the school strives to create well-rounded individuals capable of contributing positively to society. The school is situated in Faridabad (Haryana) also what we observed about Life here can vary depending on factors such as location, socioeconomic status, and personal preferences. Generally, Faridabad Haryana offers a mix of urban and rural lifestyles. In urban areas like Gurugram, Faridabad, and Chandigarh, life is fast-paced with modern amenities, employment opportunities, and a vibrant cultural scene. These cities boast of well-developed infrastructure, shopping malls, restaurants, and recreational facilities.

In rural areas, life is more traditional, centered around agriculture and community life. People often have close-knit relationships with their neighbors and follow customs and traditions deeply rooted in the local culture.

The curriculum at Hermann Gmeiner School in Faridabad typically follows a well-rounded approach to education, focusing not only on academic subjects but also on character building, creativity, and social responsibility. While specific details may vary, the school's curriculum likely aligns with national educational standards while incorporating elements of international best practices. In addition to core subjects such as mathematics, science, social studies, and language arts. The school offers a range of extracurricular activities to enrich students' educational experience. These activities would include sports, music, art, drama, and community service projects.

The school also emphasize values education, aiming to instill qualities such as respect, integrity, empathy, and teamwork in its students. Through a combination of classroom instruction, hands-on learning experiences, and extracurricular activities, Hermann Gmeiner School strives to provide a holistic education that prepares students for success in both academic and personal aspects of their lives.

Challenges:-

“Challenges are what make life interesting, and overcoming them is what makes life meaningful.” - Joshua J. Marine

So students here come from a variety of intellectual, cultural, and financial backgrounds. In order to meet each student's unique needs and guarantee that they all have equal opportunity to learn and develop, managing such diversity calls for individualized attention.

We found that in particular, when working with a big student population of different personalities and temperaments, managing student behavior, disciplinary concerns, and maintaining a positive school climate is difficult here.

We never used ICR before but when we came to HGS Faridabad we got our hands on ICR this was another level of experience for us. It is specially designed to meet the unique needs of students.

To create individualized learning plans, teachers in an ICR classroom concentrate on knowing the strengths, weaknesses, and learning preferences of each student. To address academic, behavioral, social, or emotional needs, this may entail specific interventions, accommodations, adjustments, and differentiated instruction. Teachers hope to establish an inclusive learning environment where each student can flourish and realize their full potential by putting ICR ideas into practice.

6- JAIPUR

SOS CHILDREN'S VILLAGE, JAIPUR

The SOS Children' Village in Jaipur was established in 1976. It is situated in a residential area, and is about 2 km from the railway station. The architectural style of the family houses in the village is built with respect to the tradition of the region. The buildings here are also constructed in accordance to the weather conditions, where the roofs are flat, and serve as a sleeping area during the hot season. Our NGO in Jaipur for children consists of 14 Family Homes, a Kindergarten serving as a day care center for young children, a well-equipped computer laboratory, basketball and volleyball courts, an auditorium, a library and a medical dispensary. At present, our Village in Jaipur consists of 133 children.

Located in the heart of Rajasthan, Jaipur is the capital of this colourful culture-rich state. The city is also known as the Pink City for its beautiful palaces and buildings tainted with pink. Its development in the city is only increasing, there is also an increase in the number of individuals who're suffering because of the same due to the limited resources available. These are people, who're unable to access proper health and sanitation facilities, and often end up with illnesses. This gives way to either families where parents are not fit to cater to the needs of their children, or where children have lost their parents to unfortunate events. This is where the role of SOS India, one of the top NGOs in Jaipur comes into picture, where thousands of parentless or abandoned children are supported by our organization.

OUR VIEWS

In conclusion, SOS Children's Village Jammu stands as a testament to the transformative power of love, care, and community support in the lives of vulnerable children. By providing a safe and nurturing environment, essential services, and a family-like atmosphere, the village not only offers hope and stability but also cultivates a sense of belonging and purpose for every child within its embrace. As we look to the future, it's evident that the impact of SOS Children's Village Jammu extends far beyond its walls, shaping resilient individuals who are empowered to create positive change in their communities and beyond. This remarkable institution serves as a beacon of light, reminding us of the profound difference that compassion and dedication can make in the lives of those who need it most.

FAMILY STRENGTHENING PROGRAMME (FSP)

The Family Strengthening Programme in Jammu was initiated in the year 2010. Our vision through this programme is to uplift families from the weaker section of society and help them reach self-sustainability.

At present, the FSP in Jammu has 385 beneficiaries under its care. In order to help these families become independent, various capacity building activities and workshops are conducted for them to realize their highest potential and improve their income generating ability. With the FSP intervention in Jammu, noticeable improvements have been seen in the living standards of families under our care.

During the year, various awareness programmes are organized by SOS India for beneficiaries under FSP, where they are educated on issues such as health and hygiene, child care and protection, parenting techniques etc. In addition, activities for children in the Children's Club were also conducted for their holistic development.

SOS YOUTH

At the age of 14, our youth boys are shifted to the Youth House where they continue their progress. At present, the number of youth at our facility in Jammu goes up to 68. While many of our children are enrolled in schools, others are pursuing their bachelor's and master's degree courses from colleges.

In order to give our youth exposure, various excursions and tour visits are organized. Picnics are also conducted for children and their caregivers where a day out of fun-filled activities is planned; this serves as a bonding time between children and their family members.

The number of children enrolled in the Hermann Gmeiner School, Jammu, now goes over 1000. The pass rate of children taking the board exam for class X and XII in the school has now reached 100%, which is a great achievement in itself.

Children in HGS are active in co-curricular activities, especially sports; they have participated in championships at both levels; State and National.

SOS CHILDREN'S VILLAGE JAMMU

The SOS Children's Village in Jammu started its activities in the year 1998. At present, there are over 100 children living in 12 family homes under the Family Based Care Program at the village. These children are placed under the care of nine SOS Mothers, who are assisted by five SOS Aunts who help them with their day to day activities.

Children at SOS CV Jammu attend regular schools and colleges; academic results of all our children have shown significant improvement over the years. Not only are they encouraged working hard in their studies, they are also driven to actively take part in extracurricular activities.

All festivals of national and international importance are celebrated with joy at SOS CV Jammu. Such celebrations involve all children, mothers and other village co-workers, who gather together to enjoy festivities.

Jammu has been affected by years of violence due to clashes between Muslims and Hindus. The instability in the area has resulted in families moving out of town and living elsewhere as refugees.

The majority of the poor people in Jammu lives in rural areas but over the years, an increase in urban poverty have also been witnessed since people migrate to cities in search of better opportunities and livelihood. However, there is not enough infrastructure and resources to cater to the needs of the increasing population; this has resulted in an increase in slums in Jammu.

Families living under poverty struggle on a daily basis to make their ends meet. Parents are often unable to cater to the emotional and physical needs of their children; children are also forced to drop out of school and help their family in household chores.

ABOUT THE VILLAGE

SOS Children's Village Jammu is a beacon of hope and care for vulnerable children in the Jammu region of India. Established with the mission to provide a loving home environment for orphaned, abandoned, and destitute children, SOS Children's Village Jammu offers a nurturing sanctuary where children can grow, learn, and thrive. With dedicated caregivers and a supportive community, the village ensures that every child receives holistic care, including education, healthcare, and emotional support. The village operates on the principle of family-based care, where children are raised in SOS families under the guidance of a trained SOS mother, fostering a sense of belonging and stability. Through its comprehensive programs and initiatives, SOS Children's Village Jammu is shaping a brighter future for its children, empowering them to reach their full potential and become contributing members of society.

- ① These kids just wanted more out of life & the Children's village did a good job of instilling values & virtues in them.
- ② These kids besides their studies are great artists, singers, dancer, footballer --- in short they are multitalented.
- ③ They have great grasping power & have great command in many languages like Bengali, Assame, Chinese, Spanish, mizo, Khasi, Bihari etc.
- ④ They all are multitalented and always look for opportunities to grow & showcase their talents.
- ⑤ But somewhere inside these kids are depressed but they always try to cover their depression with the broad smiles in their face. People start to grow & showcase their talents when they are loved. If you want to help someone heal, show them, unconditional love.
- ⑥ Human beings are like that so we should try to live happily & by each other's happiness, not by each other's misery.

MY PERSONAL OBSERVATION

Life becomes more meaningful when you encounter the less privileged people. My visit to SOS CV Skillong was eye-opening. In the time spent at the SOS CV Skillong, I learnt the lessons of a lifetime.

① Since we do not have control over things that happens in our lives, we try to make meaning out of them. This holds true with the children's over there.

② The kids over there were very welcoming, supportive & talented. My findings showed that children in CV are in three categories:

- Those orphaned at birth,
- those abandoned by their families but have their parents & guardians, &
- those abandoned & left on the streets.

The young people are encouraged to develop perspectives for their future, learn to shoulder responsibility & increasingly make up their own decisions.

"At SOS Children's Villages of India, they are committed to the welfare of parentless and to strengthening families and communities as a preventive measure in the fight against abandonment & social neglect...."

The sick bay and pharmacy at the SOS Children's Village also administer basic medical care for the population of the neighbourhood. In order for families to generate income, they offer them vocational training, career counselling & advice on how to make for a job.

When children can no longer stay with their families they can find a loving home with one of the twelve SOS families, where they grow up ^{with} their sisters & brothers.

When needed, the SOS kindergarten can provide day care for young children, while older ones attend the local schools. In both settings they make friends with children from neighbourhood families & thus integrate into the community. They aim to give children in their care, the support they need, be it tuition for their school work or therapy.

When the young adults are ready to leave their SOS families they can join the SOS youth programme. With the support of qualified professionals they are guided through this new stage of their lives, as they start vocational training courses, attend higher education & look for work.

SOS Children Villages has been present in India since 1963, their work developed rapidly all over the country & they started their activities in Shillong in 1999.

Shillong is located in the north-eastern region of India, in an area renowned for its natural beauty & sometimes called as the "Scotland of the East".

It is the capital of the state of Meghalaya, which is one of the smaller states in the country. By Indian standards the city itself is also small, with an estimated 3,14,000 inhabitants.

Meghalaya state has not seen the same economic growth as other parts of the country.

A central part of the work that carries out in Shillong is related to supporting children & families near where the organisation is based. The family strengthening programme offers a comprehensive package of services to enable families to stay together & take good care of their children.

SOS aims to raise awareness of hygiene, children's rights & positive parenting skills. They provide families with food as well as educational support & medical treatment.

HISTORY OF SOS CHILDREN'S VILLAGE

SOS Children's Village started in 1949 with an innovative idea. Today, this individualized, holistic approach remains the basis for their unique expertise in care. They embrace their origins in social innovation and activism by constantly seeking to adapt & improve our work to meet the best interests of each & every child, family and community & by advocating for the child's rights.

More than 70 years later, SOS Children's Villages presence has grown to more than 130 countries & territories around the world.

With the generous support of donors, partners and friends, SOS Children's Villages help hundreds of thousands of children each year through alternative care, family strengthening, schools, health centres, & other community-based work. NO other organization shares our singular focus in working directly with children and young people who have lost parental care or who stand at risk of losing it.

SOS CV UMJAM SHILLONG

INTRODUCTION

SOS Children's Village started in 1949 with an innovative idea. Hermann Gmeiner, a child welfare advocate from Austria, recognized a problem: thousands of children in post-war had lost their families in ^{Europe} and orphanages presented them with the prospect of a grim institutional childhood. His solution was to develop of a model of family-like care - providing children with security & a sense of belonging by building reliable & resilient relationships.

SOS Children's Village is based about twelve kilometers away from the city centre of Shillong, near the Umiam lake. It is the capital of the state of Meghalaya.

Since then the organization has been active & expanding throughout the world.

About SOS Children's Village Kolkata

SOS Children's Village in Kolkata was established in 1977 as a result of the sincere efforts of Mr. A.L. Dias, the then Governor of West Bengal and a few committed social workers.

Kolkata is one of the rapidly growing urban centers that have experienced approximately double the increase in its population over the last few years. It is a hub for cultural and financial activities in East India. The major reason behind this increase in the population of Kolkata is because of the migration of people who shift to cities in search of a better life. They become victims of Urban Poverty and struggle to make their ends meet. Apart from this, these people also suffer from lack of infrastructure, poor sanitation, lack of employment and unsound health conditions.

Terms & Conditions

1. SeatSeller* is an online ticketing platform. It does not operate bus services of its own. In order to provide a comprehensive choice of bus operators, departure times and prices to customers, it has tied up with many bus operators. SeatSeller advice to customers is to choose bus operators they are aware of and whose service they are comfortable with.
2. We may also use the customers personal information for several reasons on the lines of customer support, marketing & promotions.

Any issues or grievances related to travel or operator will be entertained within 10 days of post journey. In any case the liability will not be more than the ticket fare.

SeatSeller is responsible for

- Issuing a valid ticket (a ticket that will be accepted by the bus operator) for its network of bus operators.
- Providing refund and support in the event of cancellation
- Providing customer support and information in case of any delays / inconvenience
